Description

Briefly Describe Your Gig

B *I* 🗨️ ☰ ☷

Are you on a healing journey and want to reconnect with your inner child? I'll create custom-written healing journaling prompts to guide your self-discovery, emotional clarity, and trauma recovery.

Each prompt is crafted with compassion, emotional safety, and psychological insight. Whether you're exploring grief, self-worth, or relationship wounds, these prompts gently open space for reflection without overwhelming.

Perfect for personal growth, coaching tools, or client journaling.

As someone with lived experience of C-PTSD and deep healing work, I infuse every prompt with presence and purpose.
